Dear Sir,

I think it is all
important that the picture should
be sent to Mr. Guillaume's

said about the transaction
outside of the gallery.

I work in my meditation room,

Dear Sir:

I have the honor to acknowledge the receipt, this morning, of your letter of the 26th inst., informing me that at a meeting of the Board of Trustees of the Corcoran Gallery of Art, that day held, I was unanimously elected to fill the vacancy in the Board caused by the recent death of the Honorable Henry D. Cooke.

I accept with pleasure, but not without some misgiving, that share in the delicate and responsible obligations resting upon your body which this action transfers to me, and will hold myself in readiness to discharge the same to the best of my ability.

Please communicate these facts to your associates on the Board, with my sincere thanks for the high compliment they have paid me, and also my assurance that it shall be my constant aim to retain their confidence and esteem, of which your letter affords such gratifying evidence.

With great respect,

Your obedient servant,

J. H. Kaufmann.

Dear Sir.

Yours of the 17th inst duly rec'd and I thank you for your prompt acknowledgment of safe arrival of my picture. I fully appreciate what it takes to do this at this particular time when I know your time must be more than fully occupied with your regular duties.

I hope it will be so that you can hang it in a good light room for I have a great many friends in your city who will perhaps look for it, among whom I may count our worthy President and his estimable lady. I judge by the tone of your letter, that you infer from the tone of my former letter,

that I hoped the Trustees of the
Concoram Gallery, might purchase
the little "Dieta". That is too much
of a good thing to hope for. I did not
know whether you ever sold pictures from the
gallery or not, and I merely put in the
price so that in case anyone did take a
fancy to it and should wish to purchase
you'd know what to say. In case the
Trustees should think of taking it, I
should consider that the honor of a place
in that gallery should enter very materially
into the matter of price to be paid, and,
and modify my figures accordingly.

I am
Yours Respy
